

Organic Pelleted Seed

Lettuce Seed

High Mowing Organic Seed has been increasing its offerings of pelleted organic lettuce seed for the past two years. For the 2010 catalog we now have the following lettuce varieties available in pelleted seed.

Bergam's Green green leaf
Breen mini red romaine
Green Towers romaine
Nevada green batavian
New Red Fire red leaf
Red Tide red leaf
Roxy red butterhead
Waldmann's Dark green leaf

We use ProBio ProPellet L Maxi, which is a build-up with an average yield of 23,250 seeds/lb, and is appropriate for the Stanhay 13 seed belt. This product is NOP compliant.

Carrot Seed

We now have four hybrid carrots available in raw and pelleted form.

Interceptor F1
Yaya F1
Napoli F1
Necoras F1

We use ProBio ProPellet L Maxi, which is a build-up with an average yield of 43,500 seeds/lb, and is appropriate for the Stanhay 11.5 seed belt. This product is NOP compliant.

Celery Seed

High Mowing Organic Seeds also carries **Tango** celery in pelleted form. We use ProBio ProPellet L Medium, which is a build-up with an average yield of 111,500 seeds/lb, appropriate for 8.5-9 sized air planter. This product is NOP compliant.

If you are interested in additional variety pelleting, sizing, or priming give us a call and we may be able to custom order the appropriate seed conditioning.
